August Newsletter: Family Showdowns, Flat Winners and Big Dates for Your Diary!

Dear Members

All systems go for the Newmarket Town Plate on Saturday 23rd August!

The countdown is well and truly on, with just 20 days to go until we take part in the Newmarket Town Plate, one of the oldest and most iconic amateur races in the world. But this year, it's not just the history of the race that makes it special, it's the line-up. For the first time ever, Tim, Abbi, Ed and Grace will all ride against each other in the same race. That's father, mother, son and daughter, each competing on their own horse; a truly rare and heartwarming occasion in British racing. We've got four horses lined up and ready to go and the team has been flat out getting everyone fit, focused and fired up.

I hope the horses are as fit as we are

We'd love to see as many of our owners, supporters, and friends as possible joining us on the day to cheer the family on – no matter which Vaughan you're backing!

Behind the Scenes with Fine Rolling Media

To help bring this remarkable story to life, we've partnered with Fine Rolling Media, who have been capturing everything, from morning gallops and fitness sessions to tack room chaos and family banter. Their cameras have been rolling non-stop to give you a real and raw look at what it takes to pull off a race day like no other. You'll also find regular updates and exclusive clips from the build-up across all our social media platforms.

Summer Winners: Flat and Jumps Success

It's been fantastic to hit the scoreboard recently on both the flat and over jumps and it's been a real boost for the whole team:

Double Time stormed home to win on the flat at Windsor, giving us our first flat winner in a little while. What a refreshing feeling that was. He travelled strongly and quickened up smartly to win with authority and it's exactly the kind of performance that underlines why we're so keen to develop a stronger flat string going forward. Looking ahead, we plan to expand our flat team next summer, aiming to stay active and competitive all year round.

Bumpy Evans produced a bold, front-running win over fences at Cartmel, jumping beautifully and showing huge improvement. He was then sold at the Goffs Sales, where he became the top lot – a brilliant outcome and a great testament to the training journey he's been on. These successes reflect the fantastic effort across the team, from riders to farriers to stable staff and we're excited about the calibre of horses coming through.
