

Kalium & Andrea pictured after winning at Newbury

TVR – Newsletter Summer's Arrived, and the Monthly Newsletter Returns!!

With summer fast approaching and the end of the season looming we would like to start by thanking all of our staff and owners for their hard work and support over the campaign. This season has had plenty of highs and seen plenty of changes. Mitch and Lucinda joined us with their team of horses and owners, and we all combined into one yard. We have created a strong team and had an enjoyable/successful season which we hope to use as a springboard into next term.

We have enjoyed a successful year, and we are keen to capitalise on this. We will be heading to the sales over the coming months and putting a lot of energy into finding the right horses to add to our team. We would love to hear from anyone that who would consider buying a new horse.

Mitch & Lucinda pictured with their favourites

Some personal highlights from this season have included watching Kalium develop over the summer into a flagship horse, winning 3 out of his 5 races. He ended the season with a win at Newbury in a competitive handicap on a Saturday for owners Paul Bowtell and Jonathan Shinton who are big supporters of the yard.

Kalium winning at Newbury under Alan

Razzle Dazzle Boy, another of our young horses, had a great year running at Cheltenham, Newbury and getting off the mark at Sandown for The Pant Wilkin partnership, giving his syndicate enormous fun. Eva's Oskar provided Ed with an amazing trip round over the Aintree fences in the Foxhunters', finishing 6th and running on strong at the end, providing the Owners and the team a fantastic day out in the process.

PANT WILKIN NEWS

Pant Wilkin is never a quiet place as those who have been before will know we are always developing and trying to improve the facilities. The latest project being an exciting yet mammoth one, with the opening of an all singing, all dancing Equine Veterinary Hospital on site for Cotts Equine.

Alan Johns has gone out to grass and retired!

The last ever pre-race chat between Tim & Alan

In many ways the biggest day of our season was sending Alan Johns, our stable jockey, out in style with a win on Bumpy Evans which we couldn't have scripted if we'd tried! Alan has been with us for 12 years and he will be sorely missed as he was a big part of our team.

Jubililation after the very game Bumpy Evans gets the job done

TVR RACING CLUB

We also saw the introduction of the Tim Vaughan Racing Clubs. It hasn't been without a few bumps in the road with the two club horses struggling with niggles all season, however, Mini Yeats stood in and provided some fun days out at Taunton and Chepstow. For next season we have lots of changes coming to improve the experience and the introduction of an exciting recruit, REINA DEL MAR

We have also seen the arrival of SPIRIT OF LEGEND in the last couple of weeks, an exciting new recruit. You can see on the website how to get involved with these exciting horses for next season.
